Vision & Mission

Vision

To become the foremost catalyst for the widespread adoption and advancement of blockchain technology in India, leading the nation towards a sustainable, inclusive, and digitally empowered future. Through collaborative efforts and innovative initiatives, we aim to revolutionize industries, empower individuals, and drive positive societal change, ultimately shaping a more resilient and equitable society.

Mission

Aim to convene thought leaders, industry experts, policymakers, and stakeholders to collaborate, educate, and advocate for the advancement of blockchain technology. Through strategic partnerships, insightful discussions, and impactful initiatives, we aim to catalyze sustainable development, empower marginalized communities, and accelerate the adoption of blockchain solutions across diverse sectors.

Appreciation Letter

Appreciation Letter for

Shri Bhupendra Patel
Hon'ble Chief Minister, Gujarat

Bhupendra Patel

Chief Minister, Gujarat State

Dt. 27-02-2024

MESSAGE

Current era is the era of science and technology. The whole world has witnessed the growth of this field by leaps and bounds within last two decades. Youth are the architects of our future, and fostering a culture of science among the young minds of our state is paramount for shaping an innovative tomorrow. In the age of technology, local innovation holds the key to addressing local challenges. **Honourable Prime Minister Shree Narendra Modi** has launched GIFT City project within the vicinity of Gandhinagar with an aim to make Gujarat a Global hub for financial and IT services.

I am much pleased to learn that the **Gujarat Blockchain Summit** is being organized on **2nd March, 2024** at **GIFT City, Gandhinagar**. It is heartening to learn that the aim to organize this summit is to bring industry leaders, innovators and influencers from various sectors on a single platform. I am delighted to learn that the theme of the summit is **“Driving Net Zero, Empowering Women”** with an aim to delve into the transformative potential of blockchain technology across different industries such as FinTech, Healthcare, Infrastructure, Logistics & Supply Chain, Education and many more. I convey my best wishes to the organizing team, participants, volunteers and all the stakeholders for the success of the event and a bright future ahead.

(Bhupendra Patel)

To,
Shree Omika Dubey, Organizer,
Gujarat Blockchain Summit,
